Subject: Maintenance Organisation Validation

Dear Roger Chick,

Further to the recent application for a validation of your Civil Aviation Authority of the United Kingdom Maintenance Organisation, please find enclosed the Guernsey Aircraft Registry (2-REG) Maintenance Organisation Validation with reference number 2-REG.145.480.

This validation grants Avalon Aero Limited the privilege to sign Certificates of Release to Service for 2-REG aircraft using your issued approval number 2-REG.145.480.

The issue of a 2-REG Maintenance Organisation validation is subject to a number of statutory requirements that contain obligations for you as the holder. These are laid down in the Air Navigation (Bailiwick of Guernsey) Law, 2012 and Guernsey Aviation Requirements (GARs). We draw your specific attention to the following GARs:

- GAR 13 Occurrence Reporting
- GAR 43 General Maintenance Requirements
- GAR 145 Aircraft Maintenance Organisation Approval

Please note the certificate is valid until 12 October 2025.

Yours sincerely,

For and on behalf of the Director of Civil Aviation

BAILIWICK OF GUERNSEY
